Curb-Sider[®] Vehicle Lift

Curb-Sider - The World's Favorite Crane/Hoist Style Vehicle Lift

Curb-Sider - What is it?

Bruno invented the Curb-Sider style lift and this is the world's most popular vehicle lift (over 80,000 sold). The Curb-Sider lifts and stows your scooter or powerchair inside your vehicle with the touch of a button. Simply connect the docking device, push a button on the hand-held pendant and let your Curb-Sider do the heavy lifting for you!

- **Effortless loading** from behind the bumper or curbside makes the Curb-Sider® the king of convenience.
- The **powerful lifting capacity** is the hallmark of the Curb-Sider®. Virtually every mobility device can be handled, with a lifting capacity of **400 lb/181 kg***
- The **compact beauty** of the Curb-Sider is enhanced by its **automotive styling** and scratch resistant black textured finish that gracefully complement your vehicle and requires a **minimal amount of space**.
- The Curb-Sider's **modularity** is renowned. In fact, this magnificent unit is so versatile it can fit into **scores of vehicles**.
